CONFERENCE

MINPROMTORG
RUSSIA

26–29.10.2021

24th International Exhibition for Chemical Industry and Science

Supported by

- Russian Ministry of Industry and Trade
- Chimvest Scientific and Technical Centre
- Russian Chemists Union
- NIITEKHIM OAO
- Mendeleeev Russian Chemical Society
- Chemistry Department of Lomonosov Moscow State University
- Mendeleeev University of Chemical Technology of Russia

Under auspices of Russian Chamber of Commerce and Industry

Organised by

EXPOCENTRE Fairgrounds, Moscow, Russia

12+

www.chemistry-expo.ru/en

EXHIBITION TOPICS

Green Chemistry

Supercritical fluid technologies, new synthetic methods and other green chemistry technologies. Wastewater treatment, conditioning and purification, chemical safety. Recycling and waste management, environmental protection. Industrial biotechnologies.

Plastics Industry Show

Raw and auxiliary materials for production of plastics, rubber and polymeric materials. Technologies and equipment for production and processing of plastics, rubber and polymeric materials. Plastics and rubber products. Recycling of used products.

Chemmash. Pumps

Industrial pumping and compressor equipment. Industrial valves, actuators and engines. Production equipment, manufacturing lines and machines. Control and measuring instruments, tools, automatics.

Chem-Lab-Analyt

Laboratory equipment and instruments. Laboratory furniture, glassware and consumables. Chemical reagents, catalysts. Laboratory research automation facilities.

Services

Transportation and storage of chemical products. Logistics in the chemical industry. Packaging. Designing, assembling, operation and maintenance service. Leasing, certification. Consulting, research, Education, trainings. Specialised literature, industrial web-portals. Financing services. Career opportunities in chemical and petrochemical industries.

Corrus

Corrosion protection equipment, technologies. Corrosion protection coatings.

Chemistry and Petrochemistry

Raw materials and auxiliaries for chemical industry. Raw materials and auxiliaries for petrochemical industry. Basic and inorganic chemistry. Agrochemicals, fertilizers, crop protection products. Oil and gas refining and petrochemicals. Polymeric materials. Chemical yarns and fibers. Paints, varnishes, coatings. Industrial gases. Additives and filler agents. Specialty chemicals.

Innovations and Advanced Materials

Research & Development, new technologies.

Startup ChemZone

Start-ups and small enterprises.

Automation and Digital Manufacturing

Engineering and automation. Software and IT.

WHY PARTICIPATE?

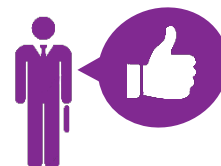

**Generated new
business leads**

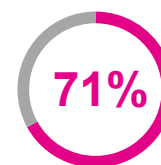

Exhibitors

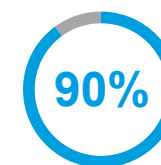

Visitors

**Satisfied with quality
of business leads**

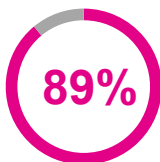

Exhibitors

Visitors

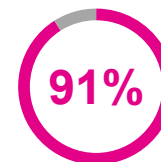

**Efficiency
(reached an agreement)**

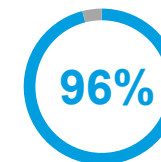

Exhibitors

Coming back in 2021

Exhibitors

Visitors

VISITORS

12,010 chemical industry professionals

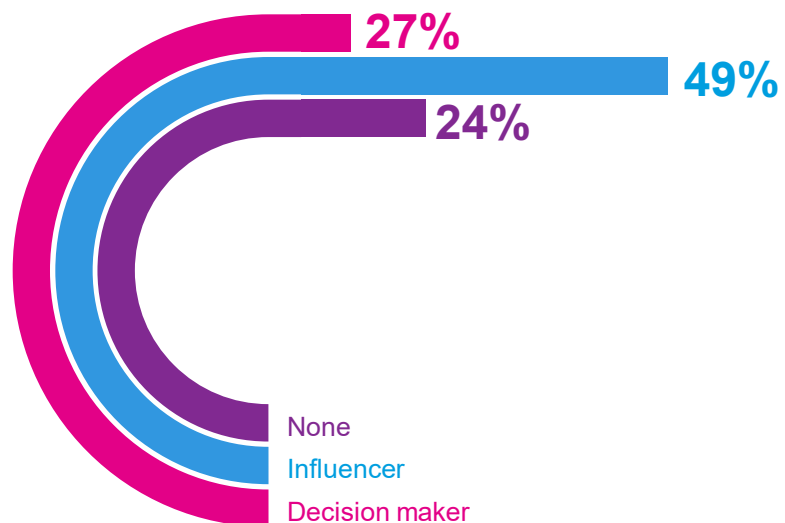

393 Russian cities, **62** countries

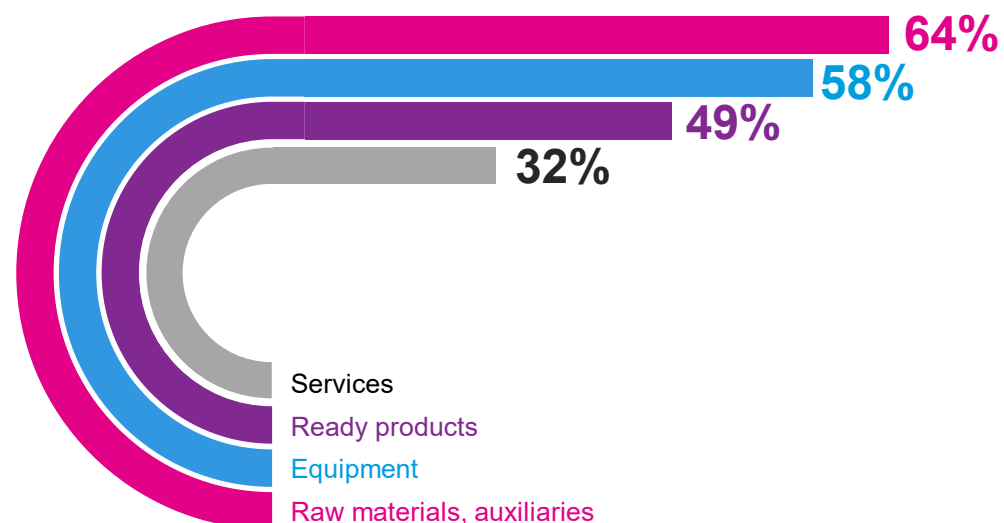

Visitors by industry sectors

Visitor interests

EVENTS

25 events

148 speakers

880 delegates

Topics

- The industry's state and prospects
- Export and import of chemical products
- Trade and investment cooperation with other countries
- Digitalization of production
- Chemistry for the sustainable development

- Agrochemistry and biotechnology for agriculture
- New products and solutions for oil refining and petrochemistry
- Anti-corrosion protection
- The chemical industry's logistics
- The chemical industry's workforce
- Arctic chemistry
