

31.10–03.11.2022

25th Anniversary
International Exhibition
for the Chemical
Industry and Science

www.chemistry-expo.ru/en

Organised by

EXPOCENTRE Fairgrounds, Moscow, Russia

Supercritical fluid technologies, new synthetic methods and other green chemistry technologies. Wastewater treatment, conditioning and purification, chemical safety. Recycling and waste management, environmental protection
Industrial biotechnologies

Raw and auxiliary materials for production of plastics, rubber and polymeric materials. Technologies and equipment for production and processing of plastics, rubber and polymeric materials. Plastics and rubber products
Recycling of used products

Industrial pumping and compressor equipment. Industrial valves, actuators and engines. Production equipment, manufacturing lines and machines. Control and measuring instruments, tools, automatics

Laboratory equipment and instruments. Laboratory furniture, glassware and consumables. Chemical reagents, catalysts. Laboratory research automation facilities

Transportation and storage of chemical products. Logistics in the chemical industry. Packaging. Designing, assembling, operation and maintenance service. Leasing. Licensing, certification. Consulting, research. Education, trainings. Specialised literature, industrial web-portals. Financing services. Career opportunities in chemical and petrochemical industries

Corrosion protection equipment, technologies
Corrosion protection coatings

Raw materials and auxiliaries for chemical industry. Raw materials and auxiliaries for petrochemical industry. Basic and inorganic chemistry. Agrochemicals, fertilizers, crop protection products. Oil and gas refining and petrochemicals. Polymeric materials. Chemical yarns and fibers. Paints, varnishes, coatings Industrial gases Additives and filler agents. Specialty chemicals

Research & Development, new technologies

Start-ups and small enterprises

Engineering and automation. Software and IT

Startup
ChemZone

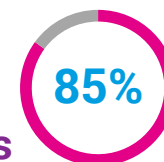

WHY PARTICIPATE?

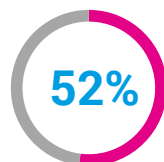

Generated new
business leads

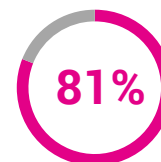

Satisfied
with quality
of business leads

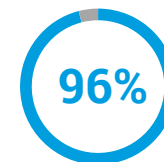

Efficiency
(reached
an agreement)

Coming back in 2022

Exhibitors

Visitors

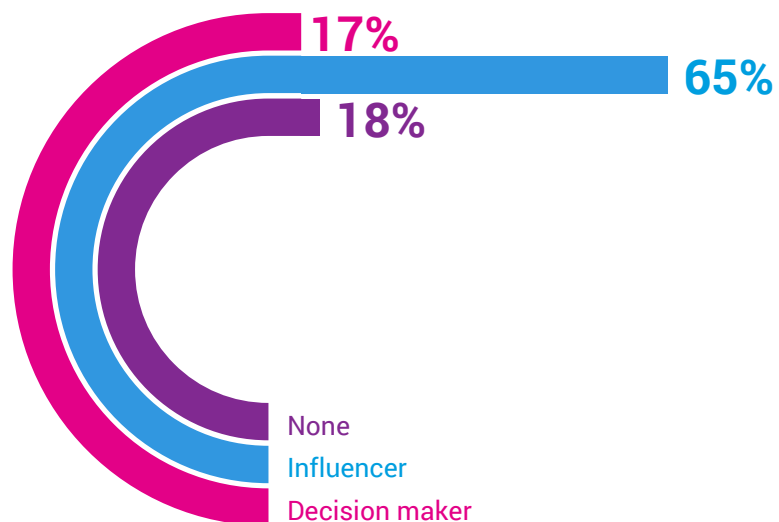

VISITORS

6,060 chemical industry professionals, **52** countries,
69 regions and **272** Russian cities

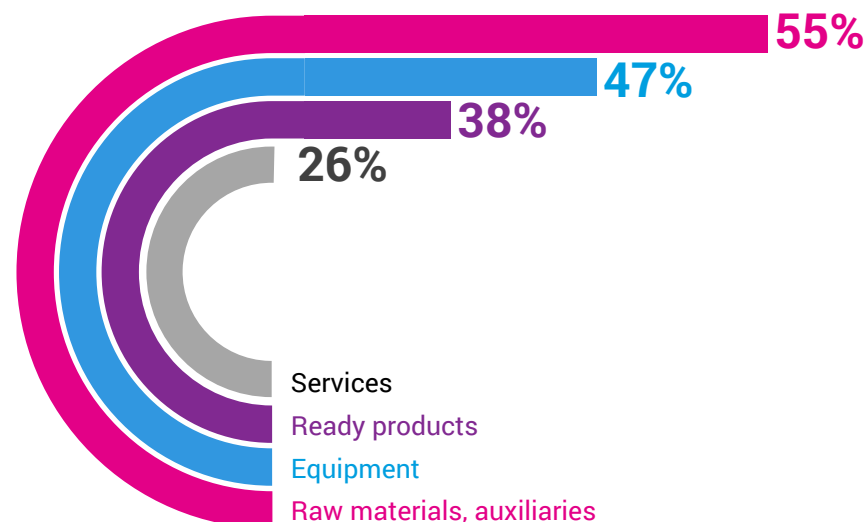

Visitors by industry sectors

Buying power

Visitor interests

Multiple replies are possible

EVENTS

32 events

242 speakers

3,200 delegates

Main topics

- State and prospects of the industry
- Foreign trade, logistics, cooperation with foreign countries
- Digitalisation of production
- Industry ecology, sustainability, ESG
- Corrosion protection
- Chemicals for farmers
- Construction chemistry
- Metrology and standardisation issues in chemistry and petrochemistry
- Chemistry personnel: search, training, development
