

30.10–02.11.2023

www.chemistry-expo.ru/en

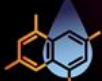

26th International
Exhibition for
the Chemical
Industry and Science

ХИМИЯ

**Innovations
and Advanced
Materials**

**Petrochemical
Industry**

Startup ChemZone

**Automation
and Digitalisation
of Production**

Chemmash. Pumps

Chem-Lab-Analyt

Green Chemistry

Plastics Industry Show

**CORRUS Protection
Against Corrosion**

Supported by

- Russian Ministry of Industry and Trade
- Russian Chemists Union
- NIITEKHIM OAO
- Mendeleev Russian Chemical Society
- Chemistry Department of Lomonosov Moscow State University
- Mendeleev University of Chemical Technology of Russia

Under auspices of Russian Chamber of Commerce and Industry

EXPOCENTRE Fairgrounds, Moscow, Russia

Organised by

12+

Advertising

PRODUCT SECTORS

Green Chemistry and Biotechnology

Supercritical fluid technologies, new synthetic methods and other green chemistry technologies. Wastewater treatment, conditioning and purification, chemical safety. Recycling and waste management, environmental protection. Industrial biotechnologies

Plastics Industry Show

Raw and auxiliary materials for production of polymeric materials and rubber. Technologies and equipment for production and processing of polymeric materials and rubber. Products made of polymeric materials and rubber. Recycling

Chemmash. Pumps

Industrial pumping and compressor equipment. Industrial valves, actuators and engines. Production equipment, manufacturing lines and machines. Control and measuring instruments, tools, automatics

Chem-Lab-Analyt

Analytical and laboratory equipment and instruments. Laboratory furniture, glassware and consumables. Chemical reagents, catalysts. Laboratory research automation facilities

Services

Engineering and design, transportation and storage of chemical products, research, technology and consulting, economic research, career opportunities

CORRUS: Corrosion Protection

Corrosion protection equipment and technologies. Corrosion-resistance materials. Corrosion protection coatings

Chemistry and Petrochemistry

Raw materials and auxiliaries for chemical industry. Raw materials and auxiliaries for petrochemical industry. Basic and inorganic chemistry. Agrochemicals, fertilizers, crop protection products. Oil and gas refining and petrochemicals. Polymeric materials. Chemical yarns and fibers. Paints, varnishes, coatings. Industrial gases. Additives and filler agents. Specialty chemicals

Innovations and Advanced Materials

Research & Development, new technologies

Startup ChemZone

Start-ups and small enterprises

Automation and Digital Manufacturing

Engineering and automation. Software and IT

FACTS & FIGURES

12,465 sq m
of exhibition space

201 exhibitors
from **8** countries

9,545 visitors
from **77** Russian
regions and **37**
countries

1965
More than **50** years
of history

Catalogue 2022

Exhibitor feedback

New products and exhibits

Startup ChemZone

WHY PARTICIPATE?

Increase sales

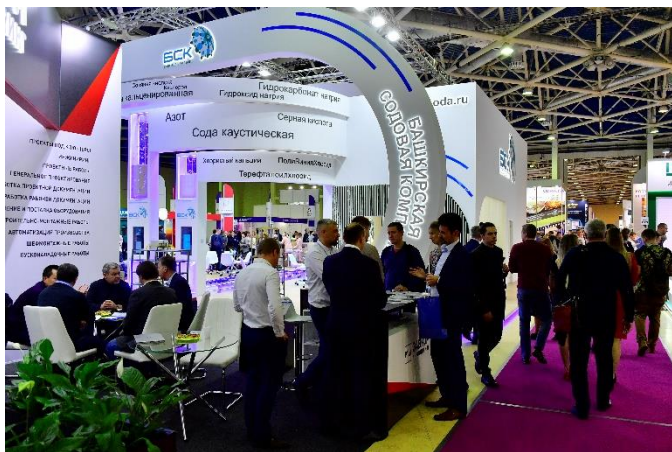

Find suppliers

Learn about new products on the market and global trends

Carry out advertising and PR activities

Generate new sales leads/network

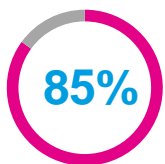

5 REASONS TO PARTICIPATE

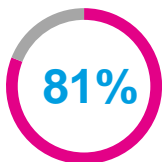

WHY PARTICIPATE?

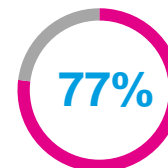

9,545 VISITORS OVER 4 DAYS

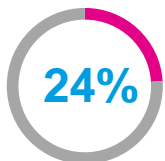

Exhibitors are satisfied with quality of visitors

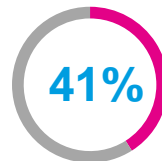

Exhibitors plan to come back next year

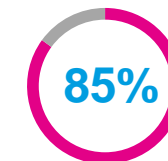

ROI for visitors (reached an agreement)

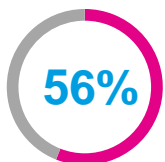

**Generated new
business leads**

Visitors look for new suppliers

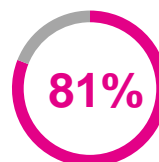

Have buying power

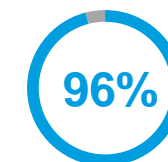

Plan to make purchases/sales after the show

Coming back in 2023

Exhibitors

Visitors

VISITORS

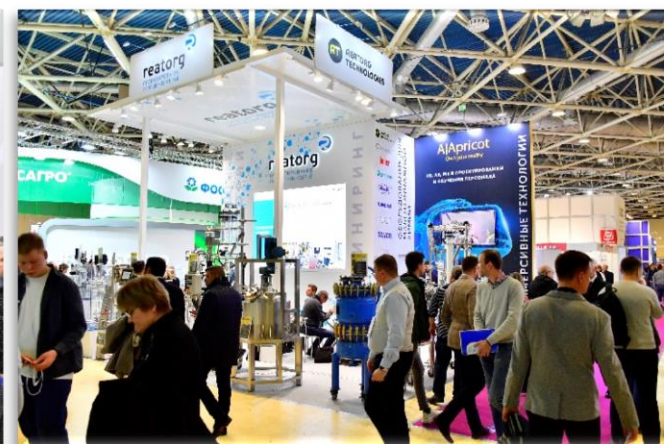

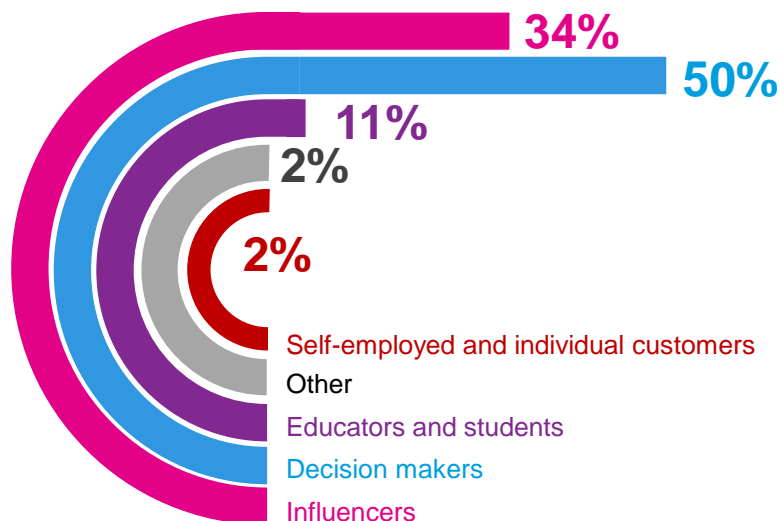

9,545 professional visitors
37 countries **77** Russian regions

Visitors by industry sectors

Decision makers

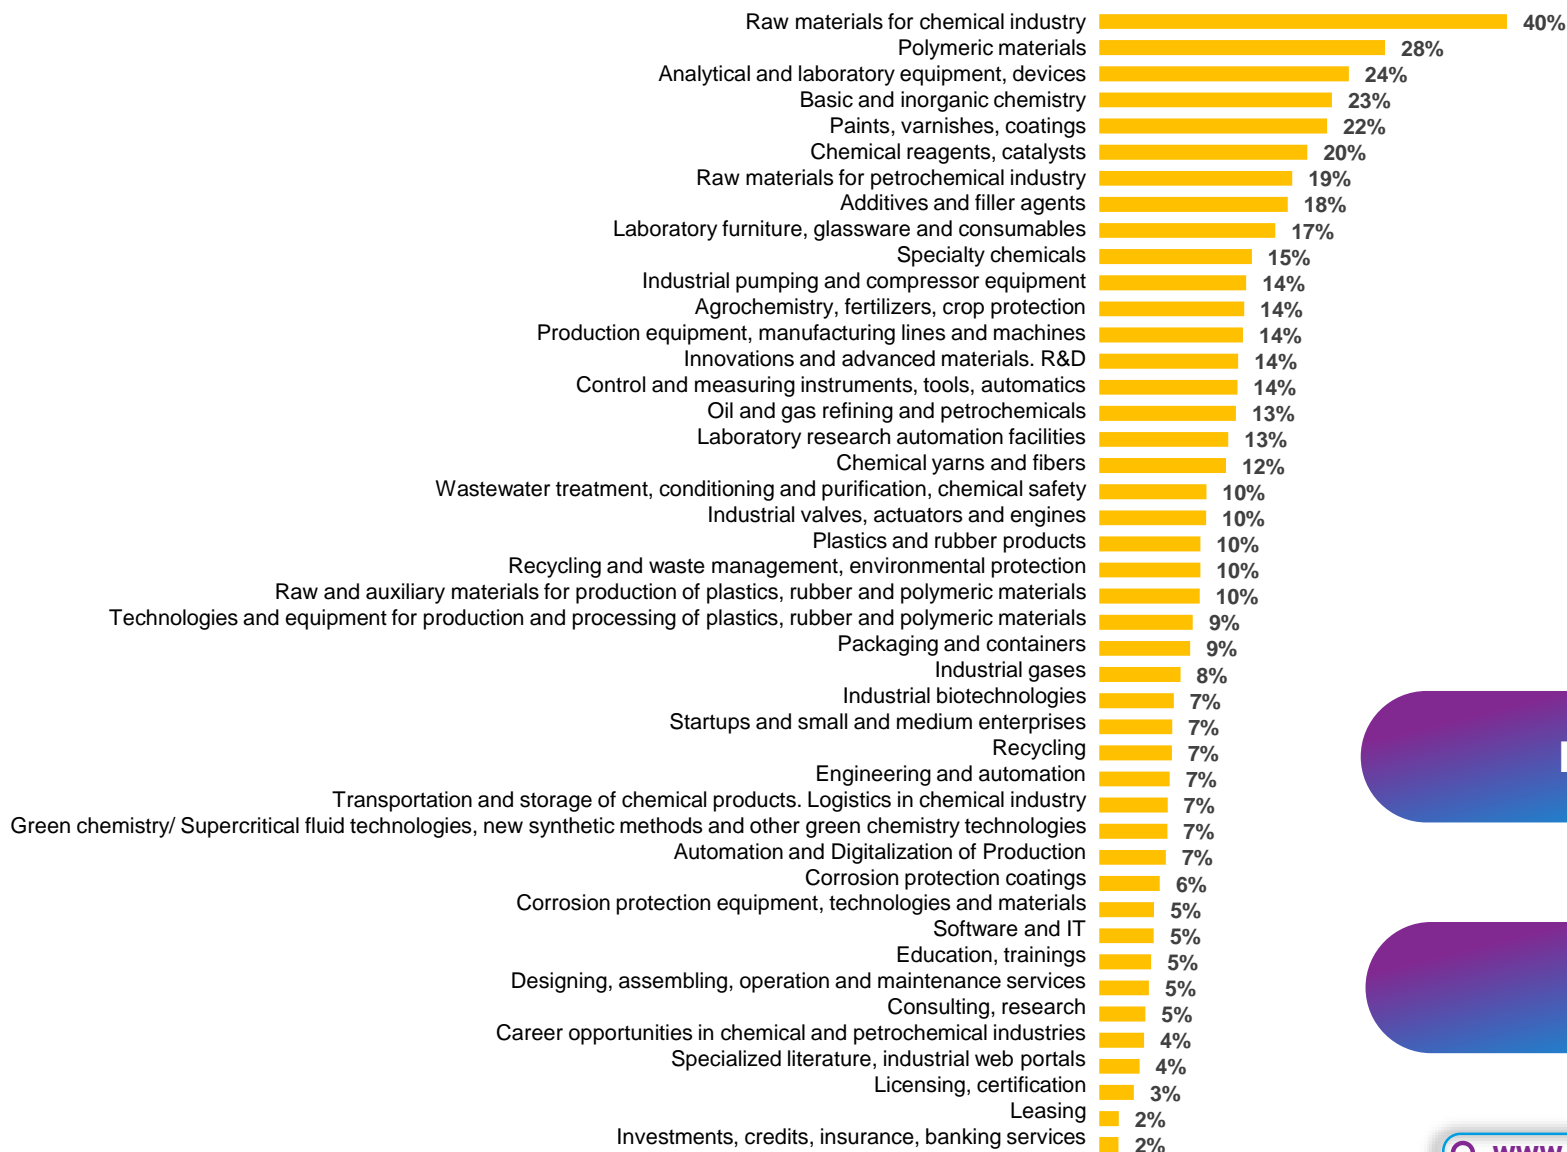

Visitor questionnaires and event audit in 2022

Multiple replies possible

CONFERENCE PROGRAMME

32 events

266 speakers

4,200 delegates

Topics

- The industry's current state and prospects
- Government support
- Foreign trade, logistics, cooperation with other countries
- Automation, digitalization, robotics
- The industry's ecology, sustainable development
- Chemicals for agriculture
- Chemicals for construction, housing and utilities
- The industry's workforce: search, training, development
- Innovations, cooperation between science and business
