Excerpt from the address of Russian Minister of Health Mikhail Murashko to the participants in Russian Healthcare Week 2024, 2 December 2024:

“...Russian Healthcare Week is this country's largest event in the field of medicine and healthcare. It brings together doctors, manufacturers of medical products, scientists, government officials and business representatives, and shows the achievements of scientific and practical medicine...”

Excerpt from the interview of Russian Minister of Health Mikhail Murashko to Channel One, 2 December 2024:

“...The Week is specifically about contacting and developing plans for cooperation both domestically and with our regional health officials, and different overseas representatives...”

The Forum is one of the country's key federal congress and exhibition events in the field of medicine and serves as the primary platform for showcasing healthcare innovations

The Week is traditionally included in the schedule of scientific and practical events of the **Russian Ministry of Health** and in the consolidated participation plan of the **Russian Ministry of Industry and Trade** in exhibitions and congresses held both in Russia and abroad
