RUSSIAN HEALTHCARE WEEK

7-10 DECEMBER 2026

CROCUS EXPO, MOSCOW, RUSSIA

zdravo-expo.ru/en

Russian Healthcare Week is the largest series of congresses and trade shows dedicated to medicine and healthcare, covering almost the entire industry, including equipment manufacturing, research, and practical medicine. The Week brings together three key trade shows and a rich and diverse conference programme.

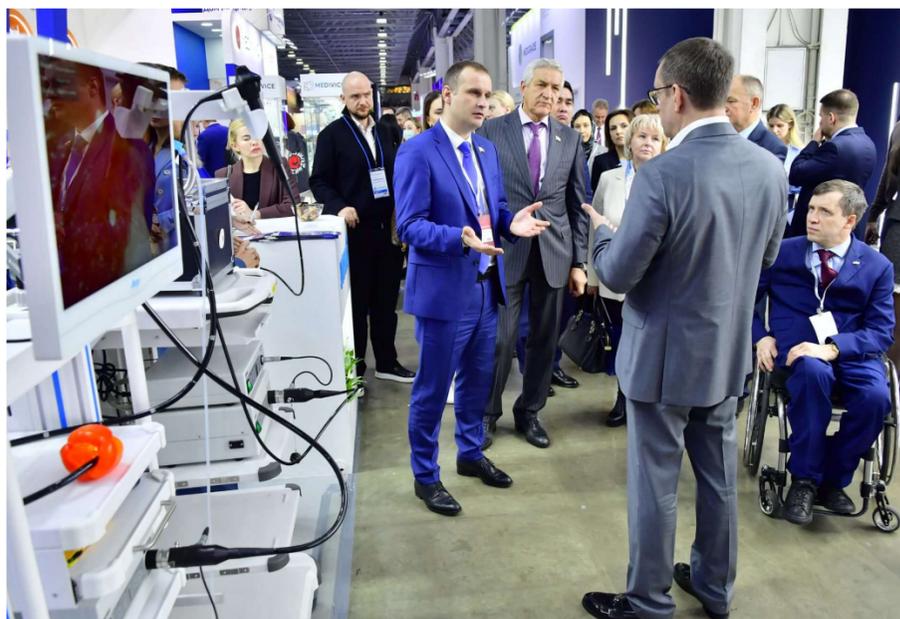

In order to strengthen the role of research and technology in solving the most important tasks of the development of society and the country, Russian Healthcare Week has been taking place within the Decade of Science and Technology in Russia since 2022.

The Week is traditionally included in the list of events supported by the Russian Ministry of Health and in the consolidated list of congresses and exhibitions held in Russia and abroad for participation of the Russian Ministry of Industry and Trade.

Organised by the State Duma of the Russian Federal Assembly, the Russian Ministry of Health, EXPOCENTRE AO

Supported by the Federation Council of the Russian Federal Assembly, the Russian Ministry of Industry and Trade, and the Russian Ministry of Economic Development

Under auspices of the Russian Chamber of Commerce and Industry

WELCOME ADDRESSES 2025

Mikhail Murashko
Minister of Health of the Russian Federation

"...Today, as we open Russian Healthcare Week, we are in the process of global modernisation of the system.... In fact, we have been opening at least 7-8 renovated or newly built healthcare facilities every day since 2021. In the near future, by the end of the year, we plan to launch large outpatient clinics, hospitals, oncology centres, and specialised laboratories both in new regions of Russia and in those that needed modernisation..."

Sergey Leonov
**Chair of the Russian State Duma
Committee on Health Protection**

"...The upcoming Russian Healthcare Week is a very important series of events designed to support the exchange of best international practices in medicine. Our common priority is the health of Russian citizens, which is the basis for the sustainable development of the country, and the well-being of every resident of our homeland. ..."

Anton Alikhanov
**Minister of Industry and Trade
of the Russian Federation**

"...The Week is rightfully considered one of the most important series of events dedicated to health protection. Its format provides participants and visitors with every opportunity to discuss relevant issues of the development of the Russian healthcare system and familiarize themselves with current solutions from Russian manufacturers"

Yaroslav Nilov
**Chair of the Russian State Duma
Committee on Labour, Social Policy and Veterans' Affairs**

"This major event regularly brings together prominent scientists, medical experts, practitioners, government officials, and representatives of the business community from Russia and a number of other countries. This is the elite of the medical community, who will have to discuss in detail global trends and the latest research in the field of pharmacology, high-tech medical care, rehabilitation, valeology, nutritionology, and many other important areas ...!"
